June 6, 2016

Greetings from the nonprofit Firefighter Cancer Support Network.

**Every day, you rely on firefighters to protect you, your family, your home, your business, and your community. Today, we're inviting you to show your support for firefighters battling cancer.**

Cancer is the leading cause of line-of-duty death for America's firefighters. That's why we're asking you to team up with the nonprofit Firefighter Cancer Support Network (FCSN) for our annual dinner gala and fundraiser, which will be held November 12, 2016, at the Bonaventure.

**FCSN is a 501(c)(3) organization** established by Los Angeles County Firefighter Paramedic Michael Dubron, a survivor of stage IV colon cancer. Since 2005, FCSN has provided assistance and mentoring for thousands of cancer-stricken firefighters and their families. We also deliver extensive firefighter cancer awareness and prevention training nationwide.

FCSN relies on our valued donors. **We're inviting you as a community leader to help sustain FCSN's vital programs with a donation for our gala's auction. The returns on your donation investments are significant, including tangible support for firefighters battling cancer and the opportunity to raise awareness of your brand and increase sales. We will recognize your generous, tax-deductible contribution** during the event and online.

Please see the next page for details about making a donation. On behalf of Firefighter Cancer Support Network volunteers and the firefighters we help, thank you for your consideration.

Warm regards,

Division Chief Bryan Frieders  
President  
Firefighter Cancer Support Network
